## FLAT FORMING

Our flat forming fronts have different sizes. Starting at min. 300 x 160 mm (model dependent) up to max. 2770 x 1270 mm (model dependent). More detailed information can be found in the product data sheet. Please note that it is not possible to make individual patterns from all available Flat Forming styles! All selectable decors can be found below.

*Unsere Flat Forming Fronten haben unterschiedliche Größen. Angefangen bei min. 300 x 160 mm (modellabhängig) bis max. 2770 x 1270 mm (modellabhängig). Genauere Informationen finden Sie im Produktdatenblatt. Bitte beachten Sie, dass nicht von allen verfügbaren Flat Forming Arten individuelle Muster angefertigt werden können! Alle auswählbaren Dekore finden Sie weiter unten.*
